

**The Psychoanalytic Society
of the Postdoctoral Program in
Psychotherapy and Psychoanalysis**
Scholar's Grant Application Requirements
Due Date: **December 31, 2021**

The Scholar's Grants are designed to jump-start promising academic, clinical, creative, or research projects carried out by Members in good standing of the Psychoanalytic Society, or by Candidates in the NYU Postdoctoral Program who have joined the Society as Candidate-Members.

Psychoanalytic projects of all types will be considered, with particular interest in those that promote the value of psychoanalysis to a wider audience, e.g. the lay public, the arts, the medical field, the legal world. Special consideration will be given to first-time authors. There is a lifetime limit of two grant awards per individual.

- Individual Grants carry stipends of **\$2,000**.
- Group Grants carry stipends of **\$3,000**.
Groups are limited to 2 individuals at \$1,500 each.
Contributions of others will be acknowledged publicly if you so desire.
- Patrick Lane Candidate Grant is for **\$1,500**.

Applications for Individual and Group Grants will be accepted from any current Member in good standing of the Psychoanalytic Society. Applicant must have registered and paid dues in full before the application will be accepted. **Patrick Lane Candidate Grant** applications will be accepted from any current candidate in good standing in the NYU Postdoctoral Program who has registered as a Candidate-Member in the Psychoanalytic Society.

Please Note:

1. Recipients of the Scholar's Grant must be prepared to make a presentation of the project's progress at a Scholars' Grant Brunch the year following receipt of the award.
2. The Psychoanalytic Society of the Postdoctoral Program must be credited as a funding source IN ALL FORMS OF PRESENTATION AND ADVERTISING to professional and public audiences.
