December, 2014

Dear Colleagues,

Once again it is time to ask you to submit your dues to the Psychoanalytic Society. The dues are still only \$125. Something new! This year we are instituting the possibility of paying on line through PayPal. To pay dues by Pay Pal, go to **www.PayPal.com** and enter the society's email address: **postdocpsychoanalyticsociety@gmail.com**. Follow the instructions. This will credit the Society's Pay Pal account for the amount chosen. You may also pay by check using the enclosed envelope.

Please make any necessary changes to your contact information and return with your remittance.

All members of the Society are now automatically included in our Online Referral Service Directory. There is no additional fee for online membership. We hope that the Online Directory will bring increased exposure for our members, for the Society, and for psychotherapy and psychoanalysis to the general public. Please make sure you have uploaded your profile. See **www.psychologistsearch.org**

The Society's Board would like to know from the membership what the Society could provide to further meet the needs of the graduates. To facilitate this we have developed a questionnaire to survey your opinion. We want to hear from you about your ideas and suggestions for initiating and expanding our programs. Please take the time to fill out the survey and return in the enclosed envelope to George Jones, our Society Administrator

Over the last year the Society and the NYU Postdoctoral Program have continued to work in close conjunction to initiate and co-sponsor events and promote meaningful activities for our membership.

This letter also gives me the opportunity of informing you of the past and future activities of the Society.

Upcoming Events 2015

- January 11, 2015: Closing date for the submission of Scholars Grants proposals.
- March 13, 2015: Annual Party at the Harmonie Club. Save the date! It is a great opportunity for members to meet with old friends. The winners of the Scholars Grants will be announced at the party. New graduates are invited as guests of the Society and granted free membership for the year
- Winter 2015 (date to be announced), Tea Salon. Winners of the 2013 Scholars' Grant will present the findings of their research.
- New mini-course series taught by members and free for members of the Society

Past Events 2014

- Memorial List was created by the Board of the Psychoanalytic Society and is placed in the Directory and updated each year.
- The Memorial lecture was held in September 2014. The speaker was Dr. Marilyn Charles.
