3. Discussion of next years Memorial lecture was postponed until Maureen was at meeting and could tell us more about what is being planned.
4. We need a Rep for senate and Harriette almost volunteered. It was voted that the Society would pay cab fare for the Rep. Harriett will let us know her final decision soon.
5. Date for the Cocktail party will be on February 25 6-9 at Harmonie club. Sharonn reported that they have raised their fee to \$95 per person. There was discussion about finding another place to have cocktail party in 2012, perhaps at a restaurant.
The fee structure was changed for the cocktail party with members paying \$35. And guests paying \$50. Passed by 6 to 1 .

Roane bought up that 50 th anniversary committee had thought about having in an event in conjunction with our cocktail party. We need to hear more about that . But the feeling of the group was that the cocktail party was very much a Psych Society endeavor.

6. Harriett wanted to be sure that we had agreed and were clear that we had agreed to contribute \$3000. To the reception at Dision 39 for the 50th anniversary selebration year. It was agreed that we had made such a commitment. We would like to know how the Society would be recognized.
7. Roanne is our rep to the 50 the anniversary proceedings and she was asked to take back the message that the Society wanted to have our Cocktail party as usual and that we would have our own 50th anniversary celebration there.
8. Harriette brought up the possibity of making a large contribution to the program from the Society. Maybe an endowment of some sort. This will have to be looked into legally and also from the Society's finance's.
9. David suggested that some our funds could be used to promote and promulagate psychoanalysis.
