ANNOUNCEMENT

The Psychoanalytic Society of the Postdoctoral Program and the New York University Press are pleased to announce a new hardback biennial psychoanalytic publication entitled **Psychoanalytic Reflections**.

The first volume is scheduled to appear in the Fall of 1988. The theme will be Psychoanalysis and Everyday Life. The topic was purposely conceived to be broad in scope and both clinical and theoretical papers are welcome.

All members of the Postdoctoral community are invited to submit original papers. Manuscripts are now being accepted.

In order to meet the publication schedule, completed manuscripts are due by June 1, 1987. In view of revised time considerations, the deadline for the submission of 500 word outlines has been extended until March 15, 1987.

For further information contact Howard Siegel, Ph.D., Editor-in-chief, 205 West 89th St., NY, NY 10024.
