We Celebrate Dr. Patrick Lane

Tonight we are paying tribute to Dr. Patrick Lane, the Society's beloved past president, who died in 2008. Our annual gala cocktail party was first conceived and initiated by Patrick seven years ago and continues as one of his enduring legacies to the Society. While we miss Patrick's liveliness, his love of life and community live on as we celebrate this wonderful evening together.

Our Scholars' Grants Committee, chaired by Dr. Pat Vitacco, will be awarding its First Annual Candidate Scholar's Grant this evening and has dedicated it to Patrick, who was one of the original members of the committee and was highly instrumental in originating this grant for candidates.

Special thanks to *The Psychoanalytic Society Jazz Band:*

Dr. Michael Varga, musical direction and flute
 Drs. Nancy Atlas, vocals
 Dr. Steven Knoblauch, saxophone
 Dr. Judith Levy, vocals
 Dr. Stephen Solow, drums

We Honor the Recipients of the Society's Fifth Annual Scholars' Grants

and the First Annual Candidate Scholar's Grant

On behalf of the Society, we are honored to confer this year's Scholars' Grants totaling \$4,000: two individual grants each for \$1,500 to graduates who are Society members, and for the first time, aptly dedicated to Dr. Patrick Lane, as he was highly instrumental in its initiation, one individual grant for \$1,000 will be awarded to a candidate in the NYU Postdoctoral Program.

These grants are awarded to members of the Society who have demonstrated a commitment to psychoanalytic research, scholarship, and/or community education. Our committee's mission is to award these endowments to support scholarly work that substantiates the efficacy of psychoanalysis and psychoanalytic theory.
