We Honor the Recipients of the Society's Third Annual Scholars' Grants

On behalf of the Society, we are honored to confer this year's Scholars' Grants totaling \$3,500 to members of the Society who have demonstrated commitment to psychoanalytic research, scholarship, and/or community education. Our committee's mission is to award these endowments to support scholarly work that substantiates the efficacy of psychoanalysis and psychoanalytic theory.

We Celebrate the Society's Visual Artists

It was easy to choose the theme for this year's annual cocktail party, as there are so many talented Society members who are visual artists — and tonight we celebrate their creativity. It is our privilege to have their works of art on display and have them in attendance.

We thank each of them for their contribution.
